***Instructions for preparing the Van Nghe/MDB by Night portion for your Doan.

***Each Doan is to pick an **appropriate** English or Vietnamese (i.e., no profanity or ill thought messages that defy the teachings of the Church) song to perform together as a Doan. The performance can be in any form (dance, mute acting, etc...). *This is similar to a musical performance by a singer on Paris by Night where you have the singer sing and the performance crew either acts or dances to interpret the songs with the singer.* If someone in the Doan can solo or duet the song LIVE, while the rest of the members carry out their performance with some stage decoration would be GREAT (more points, highly encouraged). All performances have to be within the duration of the song which should be 5-6 mins. Note: We now have 12 Doans.
